 - Tell us what you want to run
 - After Endurance no AutoX Runs possible
- We start with DriverMore procedure as soon as all DriverLess cars (Dresden) are finished with TrackDrive

Dynamics

Green Flag: Track is clear/ Startsignal

Yellow Flag: Danger on track

Red Flag: Driver has to stop immediately and has to wait for orders

Checkered Flag: End of Race

Blue Flag: Track is wet, cars without raintest have to stop

Dynamics

- Track Marshals
 - 10 people (without enough track marshals no driving)
 - AutoX/Endu 13:00 - 17:00
 - Briefing 13:00
 - Start Dynamics 13:30

Harbour Rules

- Pavilions allowed on the lawn area
- Drones allowed (not above people)
- no self-made vehicles on the street (only next to the testing area while no one is testing)
- Unload cars on the designated parking area. Don't stop on the street.
- Push your car to the dynamic area.
- We will have a livestream (hosted by Raceyard)

Harbour Rules

- You stick very well to the rules
- We are very proud of you
- Spectator area will be larger today
- For dismantling you are very welcome to help

General Announcements

- External people on the campground (sometimes shooting fireworks)
- Return Camping entrance card
